### Scholarships for Young Artists to attend the Glasgow Congress in 2012

The FIDEM Executive Committee are now implementing the agreed policy of awarding **10** scholarships of **1000** Euros to assist the attendance of young artists at the 2012 Congress. The age limit for the scholarships is 25 but consideration would be given for special circumstances.

This scheme is intended to provide a framework by which artists who are relatively new to medal-making can develop their interest in the medal as a vehicle of artistic expression. Its aim is to deepen and broaden the selected artists' knowledge of the medal and expand their awareness of the medium's possibilities through attendance at the congress.

Artists eligible for the scheme will generally have shown an interest in medal-making and had some experience of studying and making medals.

The applications from artists wishing to be considered for the scheme should consist of:

- a letter explaining why the artist is interested in the scheme and what s/he hopes to get out of it,
- a *curriculum vitae* and
- printed images (not transparencies or a disk) of six works by the artist.

The Congress Registration fee will be deducted from the 1000 Euro. The balance will be made available to the successful applicant as a contribution towards travel and accommodation.

Applications should be received by the National Delegate by April 29<sup>th</sup> 2012 who will forward these to the General Secretary Maria Rosa Figueiredo. E-mail enquiries should be sent to Maria Rosa Figueiredo ([mfigueiredo@gulbenkian.pt](mailto:mfigueiredo@gulbenkian.pt)).
